80 x 30 x 11mm
35g
White ABS plastic
casing

Blushield | Ultimate Series | Portables

T1 Ultimate

Protection Strength

For **personal**
EMF protection

Time between recharge:
2 days (depending on usage)
Can be carried in a bag or a pocket

5m
radius
10m
diameter sphere

5G
Protection
Dual-band Scalar

85 x 35 x 11mm
94g
Zinc alloy with
chrome finish casing

U1 Ultimate

Protection Strength

For **personal**
EMF protection

Time between recharge: approx 3 – 4 days (depending on usage)
Continuous protection; no on/off button
Can be carried in a bag or a pocket

5m
radius
10m
diameter sphere

5G
Protection
Dual-band Scalar

95 x 45x 9mm
100g
Zinc alloy with aqua
chrome finish casing

W1 Ultimate Watch

Protection Strength

For **personal**
EMF protection

Time between recharge:
approx 1 – 2 days (depending on usage)
Wearable

3m
radius
6m
diameter sphere

5G
Protection
Dual-band Scalar
